Dear Mr. Walker:

RE: **4399871 CANADA INC.**

We have completed the financial statements and corporate tax return for the year ended December 31, 2021.

We have uploaded the documents to your 2021 folder on our secure client portal where they can be downloaded and printed should you wish to do so. You should have received an email advising you of the upload with a copy of the link. Please let us know if you have any difficulty in accessing your information.

We have uploaded a PDF document labelled "Documents to sign and return" containing the following:

- the December 31, 2021 financial statements;
- T183 Information Return for Corporations Filing Electronically;
- Client representation letter for the year ended December 31, 2021;
- Engagement Letter for the year ended December 31, 2021.

We have prepared the corporate tax return based on our understanding of information provided to us by the company and we recommend that you review the return to ensure that all of the relevant facts have been properly disclosed therein. **We would ask that you sign the above documents and return to our office by upload or email at your earliest convenience.**

We will e-file the tax return once the signed forms are received. The return should be filed no later than June 30, 2022. However, in order to avoid further interest charges, the balance must be paid as soon as possible.

There is a balance due of \$1,895 on the tax return. Please arrange a payment to the Receiver General for this amount. The payment should clearly indicate "December 31, 2021 Tax Year" and should identify your corporate tax account number. In addition, there is still a balance owing relating to the December 31, 2020 corporate tax return in the amount of \$2,666.02. Please arrange a payment to the Receiver General for this amount as well.

If a Notice of Assessment is received from the Canada Revenue Agency which differs from the return as filed, please contact us so that we can review and determine whether any action should be taken. You may object to a Federal Notice of Assessment within 90 days from the date of mailing of the Notice of Assessment. If you fail to respond within the prescribed time limit, you may lose your right to object.

Should you have any questions regarding the enclosures, please do not hesitate to contact us.

Yours very truly,

*Vaive and Associates*
