- We may make recommendations and facilitate trades in securities of related issuers and connected issuers of the firm, or in derivatives where the underlying security is issued by a related or connected issuer of the firm, in your account. For a list of such related issuers and connected issuers, refer to the following website: [www.rbc.com/issuers-disclosures](http://www.rbc.com/issuers-disclosures) or contact your Investment Advisor.
- If you have a managed account, additional information regarding trades processed through your account is available upon request.
- Please be advised that if you have set-up a pre-authorized mutual fund purchase plan ("PAC Plan") to purchase one or more mutual funds, you will not receive a copy of the respective Fund Facts for subsequent purchases of the applicable Fund under the PAC. You may at any time request to receive, at no cost, the most recently filed Fund Facts by contacting your Investment Advisor or by sending a secure message through the online investing site's Message Centre or by calling or writing to us at the coordinates provided on this page. The most recently filed Fund Facts may also be found by visiting either [www.sedar.com](http://www.sedar.com) or the website of the applicable Mutual Fund Manager.
- In certain cases in relation to securities in your portfolio, the current market value for the security is not available and/or no market currently exists for the security. In such cases, we may provide no market value or provide a market value based on either the last available market value/net asset value for the security, the book cost for the security or a value determined by receivership or other legal proceedings, as applicable. Such market values may not reflect the current value of the security. Market prices and book costs shown are obtained from sources that we believe are reliable but we do not guarantee their accuracy.
- In cases where securities in your portfolio display a Market Price of 'UNPRICED', the current market value is not determinable.
- Segregated Funds are contracts of life insurance and are not securities. All insurance products are offered through RBC Wealth Management Financial Services Inc. by licensed insurance representatives, except in Quebec, where insurance products are offered by licensed Financial Security Advisors.
- Unless otherwise advised, the Book Cost means: In the case of a long security position, the total amount paid for the security, including any transaction charges related to the purchase, adjusted for reinvested distributions, returns of capital and corporate actions; or In the case of a short security position, the total amount received for the security, net of any transaction charges related to the sale, adjusted for any distributions (other than dividends), returns of capital and corporate actions. Where a book cost is not available on a security position; market value will be used to calculate the book cost.
- Fully paid securities are segregated on the records of RBC Dominion Securities Inc. and cannot be used in the normal course of our business. Any free credit balance for non-registered accounts represents funds payable on demand which, although recorded in our books, are not segregated and may be used in the conduct of our business.
- A copy of our most recent financial statements, a list of directors and senior officers and information about commissions, fees and administrative proceedings that may relate to RBC Dominion Securities or to its employees are available to you upon written request directed to our Head Office address listed above.
- Customers' accounts are protected by the CIPF's Investment Dealer Fund in accordance with its Coverage Policy. A brochure describing the scope and nature of coverage, as well as the limitations and exclusions of coverage, is available upon request.
- Please contact your local branch or the Head Office address listed above for a copy of the brochure.
- All income reported in the "Income Summary" of your account statement is for information purposes only and should not be used for tax reporting purposes. Where applicable, any income that is taxable will be reported on the appropriate tax slips.
- We act as principal on foreign currency conversions and fixed income transactions and apply discretionary currency conversion rates. The foreign currency conversion rate shown on the confirmation statement includes our spread-based revenues for performing this function. Spread means the difference between the rate we obtain and the rate you receive.
- Please note the following security description abbreviations may appear on your statement : NON VTG for non-voting shares; RES VTG for restricted voting shares; SUB VTG for subordinate voting shares; DSC for securities which may be subject to a deferred sales charge; LL, LL2, LL3 or LL4 for securities which may be subject to a low load deferred sales charge.

## UNDERSTANDING YOUR PORTFOLIO REVIEW

Your Portfolio Review provides a summary of the activity within your portfolio over various time periods. The definitions of the various terms included in this statement are listed below.

---

### INVESTMENT RETURN

This section summarizes the Total Investment Return of your portfolio, in dollar terms, over various time periods. The components of your Total Investment Return include:

**Interest** - Includes interest payments paid to you from investments such as bonds, debentures, guaranteed investment certificates, term deposits, and cash balances in accounts. Interest income earned on discounted securities, such as strip bonds, treasury bills, bankers acceptances and commercial paper, are not included in this category. Interest income that accrues from such discounted securities is reflected in the category listed below titled, "Change in Market Value".

**Dividends** - Includes dividends paid to you from common and preferred shares.

**Managed Fund Distributions** - Includes distributions paid to you from investments such as mutual funds, pooled funds and segregated funds of life insurance companies.

**Other Distributions** - Includes distributions paid to you from any other investment not covered in the previous categories such as Real Estate Investment Trusts, Royalty Trusts and Income Trusts.

**Change in Market Value** - Includes the change in market value of all the securities, including cash balances, within your portfolio between the end of the previous period and the end of the current period.

**Total Investment Return** - The Total Investment Return on your portfolio. This value is calculated after all management fees and commissions.

---

### CAPITAL REVIEW

This section summarizes the change in value of your portfolio over various time periods. The components that contribute to your change in portfolio value include:

**Beginning Portfolio Value** - Market value of your portfolio, including accrued interest, at the end of the previous period. The value of accrued dividends are not included in this value.

**Deposits/Transfer Ins** - The value of all cash and/or securities deposited to your portfolio, including currency transfers and cash and/or securities transferred in from other RBCDS accounts.

**Withdrawals/Transfer Outs** - The value of all cash and/or securities withdrawn from your portfolio, including currency transfers and cash and/or securities transferred out to other RBCDS accounts.

**Withholding Tax** - Various sources of income earned in portfolios may be subject to withholding taxes. These include withdrawals from registered accounts such as Registered Retirement Savings Plans (RRSPs) and Registered Retirement Income Funds (RRIFs) and income received from foreign investments.

**Total Investment Return** - The Total Investment Return on your portfolio. This value is calculated after all management fees and commissions. This value is calculated in the "Investment Return" section of this Portfolio Review.

**Ending Portfolio Value** - Market value of your portfolio, including accrued interest, at the end of the current period. The value of accrued dividends are not included in this value.

---
