#### Time to Pay

If you make only the Minimum Payment each month, we estimate it will take 269 year(s) and 10 month(s) to fully repay the outstanding balance. Our estimate is based on the Total Account Balance shown on this statement and your current credit card account terms. This estimate is intended solely to illustrate how making only the Minimum Payment will increase the time it takes to pay your balance and is not a recommended long term repayment plan.

#### Your account is currently set up on an Auto Pay plan

Based on the option you previously selected the New Balance amount as shown on this statement will be posted to your account on the Payment Due Date. If you have made any additional payments (or credit refunds) prior to the Auto Pay, we will reduce the Auto Pay amount by those additional payments posted. Please contact us if you have any questions at 1-888 ROYAL® 8-5.

#### Important Information

##### The Grandparent Scam: What it is and how to protect yourself

The grandparent scam is a highly pervasive fraud tactic, and very successful since it preys on a senior's emotions and their desire to protect their loved ones. Grandparent scams, also known as emergency scams, involve a fraudster who poses as a loved one - typically a grandchild, as the name would suggest. Claiming to be hurt or in trouble, they say they need

STATEMENT FROM JUL 16 TO AUG 13, 2024

money immediately.

#### How the grandparent scam works:

A grandparent receives a phone call from a fraudster pretending to be their grandchild. The caller sounds very distressed and says they have been hurt in an accident, they're in jail or facing another crisis - and needs money to get out of it. The caller, who may use voice-altering software or speaks with such distress that their voice isn't recognizable, pleads with the "grandparent" not to tell anyone, especially their parents. The senior, concerned about their grandchild, sends money and because they have kept it all a secret, don't find out it's a scam until far too late. Often, there is an accomplice who poses as a police officer or lawyer, who provides instructions on how to transfer the money.

#### How to spot the grandparent scam and protect against it:

- a) Hang up or disconnect a call that doesn't seem legitimate
- b) If you think your family is in trouble, call them directly at a phone number that you have for them
- c) Establish a secret word among family members - for instance, if a grandparent gets a suspicious call, they can ask the caller for the "secret word." If the caller doesn't know it, the target will know it's a scam
