STATEMENT FROM DEC 14, 2024 TO JAN 13, 2025

Time to Pay

If you make only the Minimum Payment each month, we estimate it will take 213 year(s) and 5 month(s) to fully repay the outstanding balance. Our estimate is based on the Total Account Balance shown on this statement and your current credit card account terms. This estimate is intended solely to illustrate how making only the Minimum Payment will increase the time it takes to pay your balance and is not a recommended long term repayment plan.

INTEREST RATE CHART

Description	Rate (%)	Remaining Balance**	Expiry Date
Purchases & Fees	20.99	\$24,793.19	

** The "Determination of Interest" section on the back of your statement explains how interest is charged and how you may avoid interest charges on purchases and fees and the "Applying your payments" section explains how payments are applied to the Remaining Balances shown above.
