Dear Mr. Walker:

RE: **LOCAL MEDIA CONCEPTS INC.**

We have completed the financial statements and corporate tax return for the year ended December 31, 2024.

We have uploaded the following documents to your 2024 folder on our secure client portal where they can be downloaded and printed should you wish to do so. You should have received an email advising you of the upload with a copy of the link. Please let us know if you have any difficulty in accessing your information.

We have uploaded a PDF document labelled "Documents to sign and return" containing the following:

- the December 31, 2024 financial statements;
- T183 Information Return for Corporations Filing Electronically;
- Client representation letter for the year ended December 31, 2024;
- Our invoice for services rendered;
- Engagement Letter for the year ended December 31, 2024.

We have prepared the corporate tax return based on our understanding of information provided to us by the company and we recommend that you review the return to ensure that all of the relevant facts have been properly disclosed therein. **We would ask that you sign the above documents and return to our office by upload or email at your earliest convenience.**

We will e-file the tax return once the signed forms are received. The return should be filed no later than June 30, 2025. However, in order to avoid interest charges, the balance must be paid no later than March 31, 2025.

There is a balance due of \$17,251 on the tax return. Please arrange a payment to the Receiver General for this amount. The payment should clearly indicate "December 31, 2024 Tax Year" and should identify your corporate tax account number.

A suggested instalment schedule for the December 31, 2025 taxation year has been included with your copy of the corporate tax return.

If a Notice of Assessment is received from the Canada Revenue Agency which differs from the return as filed, please contact us so that we can review and determine whether any action should be taken. You may object to a Federal Notice of Assessment within 90 days from the date of mailing of the Notice of Assessment. If you fail to respond within the prescribed time limit, you may lose your right to object.

If you have any questions pertaining to the enclosed, please do not hesitate to contact us.

Yours very truly,
