If you have a net capital loss in 2021 and would like to apply it against the taxable capital gains that you reported on your 2018, 2019, or 2020 return, complete Form T1A, Request for Loss Carryback.

You can carry forward your net capital losses indefinitely and apply them against your taxable capital gains in the future.

Principal residence

Complete this part if you disposed of a property (or properties) in 2021 that you are claiming a principal residence exemption for.

Also complete Form T2091(IND), Designation of a property as a principal residence by an individual, or Form T1255, Designation of a Property as a Principal Residence by the Legal Representative of a Deceased Individual, whichever applies.

Even if you do **not** sell your property, you may have a **deemed disposition** that you must report. A deemed disposition occurs when you are considered to have disposed of property even though you did not actually sell it. For example, a deemed disposition may occur when you change how you use your principal residence, such as when you change all or part of your principal residence to a rental or business operation, or change your rental or business operation to a principal residence.

If you were **not** a resident of Canada for the entire time you owned the designated property, your period of non-residence may reduce or eliminate the amount of the principal residence exemption. For more information, call the CRA at **1-800-959-8281**.

Principal residence designation

Select the **box** that applies to your designation of the property described on Form T2091(IND) or Form T1255.
