UPDATE FROM THE GENERAL PARTNER

Dear Limited Partners,

We are pleased to provide you with the 2023 Second Quarter Report.

As noted in our annual report, all above-grade space remains fully leased, with no leases expiring in 2023. Further, all below grade space continued to be fully leased. We continue to employ a proactive leasing approach, and have engaged the two tenancies expiring in 2024 in lease renewal discussions.

During the quarter, the installation of new backflow preventers, a requirement under a new City of Ottawa by-law, were completed at both properties. Both projects were completed under budget and ahead of schedule. We anticipate the completion of the on-going tenant improvements in Q3/Q4 2023.

Finally, we are making a **distribution of \$28,000** at this time. Such amount will be mailed out on a proportionate basis. We expect distributions to continue as projected in the year end report. At year end, a comprehensive summary and reporting of annual returns will be detailed.

Regards,

Ken and Christian Jennings
Directors of the General Partner
