APPENDIX A

PART A – NOTICE FROM THE GENERAL PARTNER

To the Limited Partners of the 3750 N. Bowesville Road Limited Partnership,

November 2022 marked the official closing of the 3750 N Bowesville Road. The property features an approximate 20,000 square foot building, formerly used as an event centre, on 1.66 acres of land. The property was purchased for its future development potential given the relevant urban planning regime of the City of Ottawa, which promotes the redevelopment of inner-city land for housing. The location is central to the city, near the corner of Riverside Drive and Hunt Club Road, yet private being on a secluded street right next to the Ottawa Hunt and Golf Club. The site is regular in shape, making development of new structures more cost effective.

Currently, the property is zoned for high rise residential, but does not permit the density we are looking for. In the months prior to closing, we submitted a re-zoning application to permit the development of two new multi-residential towers on the property. To date we continue to make progress with City staff and are nearing the receipt of a letter of support from City staff. We predict being able to make a formal application to the city in 2023, and receive full approval Q4, 2023.

In the interim while pre-development activities are underway, we successfully leased the property to a tenant shortly after closing. The tenant will continue to operate the property as an event centre, and has hired back former staff of the previously operating event centre. The revenue generated from the property, being \$25,000+ per month, will be used to offset on-going operating costs (property tax, utilities etc.), and a portion of the monthly debt service. The lease term is for 18 months, which allows for short term flexibility, should the property be in position at that time to commence the construction of the development.

Sincerely,

Ken and Christian Jennings,
Directors of the General Partner

PART B - PROPERTY SUMMARY

The Property

Acquired in November 2022, 3750 N Bowesville Road features an approximate 20,000 square foot building on 1.66 acres of land. Formerly, this property was used as an event centre known as “Tudor Hall”, which featured a 16,000 square foot ballroom and adjoining commercial kitchen. The property offers future high rise development potential, being central to the city, near the corner of Riverside Drive and W Hunt Club Road, in a secluded area right next to the Hunt Club Golf Course. Pre-development activities are already underway with the City of Ottawa to allow for two residential high rises.

Tenant / Leasing Update

We have successfully entered into a short-term lease with an experienced event centre operator, who has hired back former staff off well known Tudor Hall, and will continue to operate the property as an event centre called “Mosaic Convention Centre”. The tenant will provide short-term holding income to offset expenses related to the operation of the building and debt servicing cost.
