PART A UPDATE FROM THE GENERAL PARTNER

Dear Limited Partners,

As noted in our previous report, all above-grade space in these buildings is fully leased, and we are pleased to announce that a new three-year lease for 850 square feet of below-grade space commenced August 2020 with a new tenant, Figment Image Centre.

While the COVID-19 pandemic has affected the work patterns of our tenants, the nature of the tenants' businesses is such that the building has remained open and partially occupied throughout the COVID-19 pandemic, and we are happy to note that we have received rent paid in full from all tenants thus far in 2020.

We have one major capital expenditure underway, which is a roof replacement at 15 Fitzgerald. This expenditure was anticipated upon purchase of the properties (and we received a purchase price reduction as a result), as the roof is approximately 20 years old.

Finally, we will be making a distribution of \$19,549.38 at this time. Such amount will be mailed out in the coming weeks on a proportionate basis. We will be retaining the other funds in the property account with a view to providing further distributions later in 2020.

Regards,
Ken and Christian Jennings
Directors of the General Partner
