UPDATE FROM THE GENERAL PARTNER

Dear Limited Partners,

As noted in previous reports, this property remains fully leased.

We are pleased to report that we have come to terms with MDA corporation on a seven-and-a-half-year lease extension for their 40,593 square feet, at a net rent rate commencing at \$13.50 psf, which represents an increase of 22.7% above their existing rent. No free rent, tenant improvement allowances or other inducements were provided to the tenant.

A series of significant improvements were made to the building in Q3 2021, including painting of all siding, repair or replacement of exit stairs and windowsills as well as re-paving of the south drive.

As a follow-up on our previous report about the tenant lease expiring on Oct 31st, 2022, we are please to announce that we recently received a notice from the tenant to extend their current lease for another 5 years.

Finally, we will be making a distribution at this time of \$40,000. Such amount was mailed out on a proportionate basis. We expect distributions to continue as projected in Q4 2021, at which time a comprehensive summary and reporting of annual returns will be detailed.

Regards,

Ken and Christian Jennings
Directors of the General Partner
